Paradise Farm Camps retains the right to dismiss any participant if it is deemed to be in the best interest of the organization and/or the participant. I understand that this program has inherent risks. It involves such things as vigorous physical activity, the gathering of large groups of people, and a rural outdoor setting. Participation in program activities may entail exposure to serious risks posed by the natural and/or outdoor environment, including but not limited to the tick borne illnesses Lyme Disease and Rocky Mountain Spotted Fever, Poison Ivy, heat and cold exposure, etc. I hereby release CCWA-Paradise Farm Camps, its agents and employees, from all liability associated with such inherent risks.

CCWA-Paradise Farm Camps will not provide medical care to participants of this program beyond basic first aid. In the event of injury or illness that requires care beyond basic first aid, every reasonable effort will be made to contact parent/guardian and/or emergency contact. In the event of an emergency, if timely contact cannot be made despite the organization's best efforts, the organization may need to make emergency medical decisions on behalf of the child. I agree that I am responsible for the cost of any outside health care provided and the cost of transporting my child.

The global COVID-19 pandemic has created additional risks for communal activities. CCWA-Paradise Farm Camps makes every effort to mitigate those risks per the CDC and PADOH recommendations. Mitigations such as: daily temperature screenings of participants and staff, pre-program screenings for symptoms and exposure, reduced group size, reduced co-mingling of groups, and increased sanitization efforts. Despite these mitigation efforts, the risk for COVID-19 exposure during the Outdoors After School program remains. I hereby hold harmless and release CCWA-Paradise Farm Camps, its agents and employees, from all liability to exposure to the novel COVID-19 virus. I agree that I am responsible for all costs of any health care required as a result of said exposure.
